How to Access the InnovAge PACE Training Site

We are excited to announce a new resource available to all our valued partners. To help you better understand the InnovAge PACE program and the expectations and responsibilities of both InnovAge and our provider network, we have developed comprehensive training modules accessible through our website for both specialty care providers and community housing providers.

You can access the training modules by following these steps:

• Visit our **Provider Training Portal** login page.

• Login: Use your provided username and password to log into the training portal. If you have not received your login credentials, click on "Don't have an account? Create one now!"
