## Nichole Brooks, AGPCNP-BC

InnovAge Virginia PACE

---

"I believe in the PACE model of care because it helps elders stay in their homes while a team provides them high-quality medical care."

— Nichole Brooks

---

Nichole earned her Master of Science in Nursing from Walden University with an Adult-Gerontology Primary Care Nurse Practitioner specialization. She is certified by the American Nurses Credentialing Center, and prior to joining InnovAge, Nichole spent 10 years as a home health and hospice nurse.

Nichole was born and raised in Virginia and enjoys working on cars and spending time with her daughter and Chihuahua.
