

Get to know your PACE nurse practitioner.

Sandra Kincaid, RN, MSN, ACNP-BC

InnovAge New Mexico PACE
(Program of All-inclusive Care for the Elderly)

“When participants thank me for helping them get into the PACE program, I feel energized and fulfilled.”

— Sandra Kincaid

Interacting with both participants and staff at InnovAge is what Sandra Kincaid looks forward to most each day. She especially likes to visit participants in their homes for the intake process. She strongly believes in the InnovAge model and that living comfortably and independently is the best medicine for longevity and good health.

Sandra earned her Bachelor’s and Master’s degrees in nursing at the University of New Mexico. She is trained as an adult nurse practitioner and now specializes in Geriatrics. She considers honing her adult primary care skills as her greatest professional success, and credits her mentors at InnovAge for helping her.

Sandra grew up in southern New Jersey and now lives in New Mexico. She is married with two adult sons and enjoys hiking, camping and cross-country skiing.
