

Get to know your PACE dentist

Dan Huigens, DDS

InnovAge California PACE
(Program of All-inclusive Care for the Elderly)

“InnovAge PACE is very important for seniors. I enjoy providing them with complete dental care they may not have had access to in the past.”

— Dr. Dan Huigens

Dr. Huigens earned his Doctor of Dental Surgery Degree (DDS) from the University of Oklahoma Health Sciences Center, College of Dentistry. He graduated with honors. He also earned a Physician Associate Degree from the University of Oklahoma College of Medicine and a bachelor degree in biology from the University of LaVerne in CA. Upon graduation, he was in private dental practice in La Verne, CA. Dr. Huigens has a special interests in dental implants and dental appliances to treat sleep apnea. He also volunteered as a dentist at a low-income children’s dental clinic.

Dr. Huigens has always been interested in healthcare and nearly every job he’s held has been in the medical profession. As a college student, he worked as a paramedic and as a physician associate at an orthopedic surgery practice.

In his spare time, Dr. Huigens enjoys art, music, do-it-yourself projects, working on his car and spending time with his son.
