Lineth Florian, MD

InnovAge California PACE

"I see medicine, not just as a science, but as an art, a calling, and a ministry. My desire is to offer my patients personalized and comprehensive healthcare that fits their life goals and aspirations. I believe we can make that a reality with PACE."

— Lineth Florian

Dr. Florian earned her doctor of medicine degree at Loma Linda University in California and a bachelor degree in biology at Antillean Adventist University in Mayaguez, Puerto Rico. She is board certified in Family Medicine and Geriatric Medicine. Dr. Florian completed a family medicine residency at Bella Vista Hospital in Mayaguez, Puerto Rico and a fellowship in geriatric medicine at The Christ Hospital/University of Cincinnati in Ohio.

Prior to joining InnovAge, Dr. Florian worked at Pomona Valley Health Center. At that time she supervised and taught family medicine residents.

Dr. Florian was born in Lima, Peru and moved to the United States as a young child. She enjoys learning about new cultures and cooking foods from around the world. She also enjoys baking healthy, vegan treats and is writing a vegan cookbook. Her other hobbies include classical and baroque music, hiking, and meditating. She is fluent in Spanish.

Dr. Florian is an associate of Global Transitional Care Medical Care Group, a Care Partners Company, which provides California-licensed physicians and nurse practitioners to serve participants of InnovAge California PACE (ICAP).
